

## May 1st W5NS Club Minutes

1900: Meeting was called to order by the President, Introductions was performed.

- Dave KX5I, did a program on Test Equipment.
- The minutes was read and approved
- The treasures report was read and approved.

### Old Business:

- Pete Slater had 12 people attend the training class on April 19th. He used the W5YI presentation that was provided by Don Pratt K5OKB.
- Mark KD5FZL VE Coordinator scheduled a testing session for May 17th 2014 at 9am
- Bob W5RAB mentioned Fred William embroiders name's and call sign on the reflective vest for about \$5, and other stuff on the back for about \$20. The cost will vary, depending on the design work.

### New Business:

- Duane N5NZU expressed his thanks to the club for the flowers that were presented to his wife's funeral. He presented the club with a thank you card.
- Bob W5RAB discussed about trading the club a Motorola MTR2000 UHF repeater for the club's Motorola XPR8300 UHF repeater. The purpose is to place a digital repeater on line at his house and connect it to the MARC Turbo Network on a separate frequency pair and using his call sign. He also cited a lack of internet source at the city water tanks and other amateurs being annoyed by the constant digital transmission on 444.775 was the main reasons why he chose to place the repeater at his QTH. Motion was seconded and approved by the club.
- It was reported the pavilion was reserved for Field Day
- Shelby Lawson K5AQU won the random drawing of a Baofeng dual band portable radio.

2000: Meeting was adjourned.
